Family Fun at Jelly Belly

Fairfield, California is home to possibly the world's most famous of all beans – Jelly Belly jelly beans!

These colorful and ever-so sweet delicacies were made legendary by President Ronald Reagan. Take a *FREE* factory tour at Fairfield's Jelly Belly Factory and sample some of the more than 50 flavors from Cream Soda and Root Beer to Mango and Marshmallow and Peas and Carrots Mix.

During the 40-minute Jelly Belly walking tour, guides will show you a real working factory where more than 150 different sweet treats are made. Learn the secrets to how the legendary Jelly Belly jelly bean is created, and discover why it takes more than a week to make a single bean.

Prefer a more intimate group? Join a class of six, pay your tuition and become a bean scholar when you graduate from Jelly Belly University with a degree in Beanology. The behind-the-scene tour gives students a real education on how America's favorite gourmet jelly bean is made and lets them taste treats fresh off the line.

If you're hungry after your tour, stop by the Jelly Belly Café for a bite to eat, including a Jelly Belly shaped hamburger or pizza. Visit Jelly Belly's website at www.jellybelly.com to learn more about special events offered throughout the year.
